2027 Chapter Membership Renewal Form

It's that time again. Calendar year 2026 will soon be history, and your current SSHSA Chapter membership is about to expire.

Please complete the Membership Renewal Form and mail your dues (check or money order) in now while you're thinking about it. These "necessary evils" are otherwise easily forgotten and left undone. Your prompt attention and return of the renewal to the address provided below will be greatly appreciated.

Renewals can also be made via the PayPal button on the SoCal Chapter web site ...
